

Did you know that for the next 12 months, simply by swiping your membership card every time you shop at Co-op Group Stores, you can help the Friends of Stanmore raise money for a project being undertaken within this park?

We would like to purchase some seating and tables for the areas of hard standing on the Hobbins side to create spaces where visitors can relax and chat. The spaces would be enhanced by some landscaping and we plan to mark some games on the concrete for children. Full details can be found at the link below

For our project to benefit, you must select it as your local cause either by logging onto the Co-op website or via the Co-op App; alternatively, if you are not an internet user, you can ring the dedicated phonenumber 0800 023 4708
